

Testimonials

Mike is one of the very best in the business and Working with has been a great experience. I have found Mike to be knowledgeable, reliable and trustworthy. I have had a greater impact on him because he was always open to communication and very responsive. I enjoy working with Mike and appreciate having good understand. Thank you and look forward to a long relationship.

R Ashok Kumar

Securenext Software Corporation April 2009

“Working with Michael has been a pleasure. His team’s execution of the Veratad Verification service implementation into the Group Members International Solution was swift and accurate and will allow for ease of applying upgrades and enhancements to the services. We commend your forward thinking and we are pleased to be working with one of the first Social Networking packages which can address responsible community member accountability through verification at account initiation.” October 23, 2007

Pattie Dillon, Founding Partner and President, Veratad Technologies, LLC - Age & ID Verification Solutions

“Mike is always a pleasure to work with. Mike has shown me what it is like to work with a true professional. I definately recommend working with him whenever possible for both his knowledge and positive attitude. I have gained a great deal of insight from his development and implementation skills.” October 9, 2007

Freedom Flynn, President, Back Office Outsourcing, LLC

“Michael has been a client of Rochen since November 2006. I have liaised closely with Michael on several projects including working to build out a managed cluster for a project his business was developing. Michael is always easy to deal with and knows what he wants to achieve.” November 19, 2007

Christopher Adams, Chief Executive Officer, Rochen Limited

“Michael is a superb Internet technologist, who has the ability to sift through the fog of website development. Working with him on several projects I am seeing a focused, no-nonsense, bottomline oriented colleague whom you can trust and enjoy working with. I am glad to recommend Michael.” October 19, 2007
